PHDFWF organized a health checkup camp in Kota, Rajasthan

The PHD Family Welfare Foundation with support from Jaquar Foundation organized a three-day health checkup camp in Kota, Rajasthan, from February 12 to February 14, 2024. The camp focused on general health, eye and dental health. Four doctors from PHDFWF, including General Physician, Gynecologist, Dentist and Ophthalmologist were present for the camp. PHDFWF provided free medical service and free medicines to more than 3000 beneficiaries in Kota, underscoring its commitment to improving healthcare access and promoting well-being in communities.

Distribution of Sanitary napkins in PHDFWF Skill development centers

With the support from Rotary Club of Delhi Premier, PHDFWF has received 6000 sanitary napkins which are being distributed in different skill development training unit of FWF to all the girls and women taking trainings in the center. This will be distributed for continuous 6 months starting from February 2024. The support from the

RCDP marks a significant milestone in our efforts to address menstrual hygiene challenges among

women and girls in our community fostering a sense of confidence and well-being among them as they pursue their educational and vocational goals.

EDUCATION

The PHD Family Welfare Foundation is actively engaged in promoting education by offering free remedial classes at six sites and computer training programs at 20 centers across Delhi-NCR, Gujarat, and Rajasthan. This initiative aims to enhance educational opportunities and computer literacy in these regions, emphasizing the foundation's commitment to empowering communities through readily available learning opportunities.

HEALTH CARE

The PHD Family Welfare Foundation operates ten fully equipped mobile medical vans to provide

preventive, clinical, and diagnostic healthcare services directly to needy villages and resettlement colonies in Delhi-NCR, Rajasthan, Haryana, Uttar Pradesh, and Gujarat. These mobile units offer immediate diagnostic services such as blood sugar, hemoglobin, blood grouping, and blood pressure checks, along with free outpatient services for disadvantaged individuals. The primary objective is to raise awareness and promote appropriate healthcare-seeking behavior, particularly among women and children

Additionally, eye and dental mobile medical vans reach remote areas with limited access to such services, offering eye checkups, scaling, temporary refilling, and free outpatient care. Both general and specialized medical vans distribute medications and spectacles to patients daily. As of January 2024, PHDFWF's mobile medical vans have served approximately sixteen lakhs twenty-one thousand two hundred and five individuals. This outreach is made possible through the support of funding agencies like Jaquar Foundation, Imperial Auto Industries Ltd, Seth Madanlall Palriwala Foundation, Rotary Club of Delhi Premier, Sangneria Foundation for Health and Education Trust, and AAOT.

SKILL DEVELOPMENT & VOCATIONAL TRAINING

The PHD Family Welfare Foundation (PHDFWF) is significantly impacting communities by establishing 24 skill development centers across the country. These centers are instrumental in providing vital skills at no cost to empower their recipients. The organization's reach extends to several states, including Odisha, Assam, Gujarat, Rajasthan, Haryana, and Delhi-NCR. PHDFWF is committed to catering to the distinct needs of each community through vocational training and skill development programs, supported by funding from

SMPF, Jaquar Foundation, Hindustan Tin Works, Kajaria Ceramics, L&T Prayas Trust, MG Goyal Gases, and others.

Through these efforts, PHDFWF not only imparts training but also creates avenues for disadvantaged women and youth to enhance their livelihoods, enabling them to become self-sufficient contributors to society while supporting their families. As of January 2024, around fifty-three thousand individuals have already benefited from PHDFWF's initiatives. The partnerships with various organizations signify a shared dedication to social welfare and community advancement. PHDFWF's skill development centers serve as beacons of hope, fostering progress and empowerment in communities nationwide.
